## St. Albert facing one-mill tax jump

St. Albert ratepayers will face only about a one-mill increase—about \$9 to the average homeowner—this year.

The separate and public school boards this week announced their budgets and each tallied for about a mill and a half increase.

The town several weeks ago established its mill rate at 27, down slightly from the 27.03 of 1968, which means the total mill rate should come in at about 80 mills.

The separate board came out with a balanced budget of \$1,606,252 with most of the estimated revenue, some \$1,322,253, to come from

the school foundation program.

The balance will be provided from a supplementary requisition on ratepayers and from miscellaneous revenues.

D.L. White, secretary-treasurer, said the increase compares favorably with a reported three - mill increase for Edmonton's school supporters. He said per pupil costs have been held at the same as last year.

The Public School Board finalized its budget Tuesday night at \$1,410,137. The foundation program will provide \$950,509 and the board will receive \$44,600 in miscellaneous revenues. The balance of \$145,025.43 will be requisitioned from the town. This represents an increase of 1 1/2 mills

over last year.

The budget figure is up by \$22,000 over last year and allows for an increase of about 100 students.

The budget was based on last year's assessment total and provides for interest on the unpaid balance of the 1968 requisition.

Under a new ruling all balances not paid by Alberta Municipalities by Dec. 15, 1968 were temporarily frozen.

Precise per pupil costs will be determined later but secretary-treasurer Chris McDonnell stated they will show some increase this year.

Taxes will be assessed on the figure of \$7,227,810 this year, a slight jump from the \$7,177,000 figure for 1968

## Council attendance won't be published

Attendance records of councillors will not be published yearly with the financial statement.

A motion had been passed at the town's annual meeting calling for such a move but it took a 4-2 drubbing in council chambers Monday night.

That was the vote on a motion in council that attendance records not be published.

Councillor Wheatley said he didn't think there was sufficient interest in the matter to warrant the time and money required to publish such material.

He also said that people who want this information to use during an election campaign can get it by going through the records.

Medicine Hat is gaining "amazing utilization" from two artificial ice rinks that convert into open arenas courts for summer use.

Councillor Bob Russell said the town had two of the units, which cost about \$80,000 each, and one had been up for eight years.

He said the walls came off during the summer and the cement floor was used as a tennis court.

When used as a covered rink, spectator accommodation was minimal.

Mayor Gibbon, however, said the buildings would bear investigating.

\*\*\*\*\*

Councillor J. J. Bakker feels he has away of getting the town out of paying interest charges on money it has to borrow when taxes don't get in on time.

Increase taxes by eight per cent, he told council Monday night, then give an eight per cent discount to those paying their taxes by Jan. 15.

The interest would then be borne by the tardy ratepayer

\*\*\*\*\*

Council agreed Monday night that the cost of enrolment in kindergarten programs in St. Albert was too high.

But it couldn't quite decide what to do with a request from a group of mothers asking for free use of the clubhouse to operate a play-school.

The matter was referred to finance committee to establish a policy so all groups would receive equal treatment in such matters.

The group's representative Mrs. Dennis Gibson was informed that similar requests had been refused before. It was not council's policy to get into the educational field.

Mrs. Gibson had said the group would like to see the play-school operate under the parks and recreation department.

Mrs. Gibson said as the clubhouse is vacant during the day, it could be put to use. She said the program would be good for lower income families who could not afford large fees. The fee would be \$7 or \$8 a month.

\*\*\*\*\*

May 11 to 17 will be cleanup week in St. Albert.

Council Monday night acceded to a request from the St. Albert and District Chamber of Commerce and proclaimed the cleanup week.

## Building permits soaring

There have already been more building permits issued for single-family dwelling units in St. Albert this year than there were in all of 1968.

Jim Roberts, building inspector and development officer, said Monday that 43 single-family dwelling permits totalling \$296,880 had been issued so far this year. In 1968 only 39 such permits were issued.

Total permits issued to date come to about \$457,000, including \$145,000 for a 24-suite apartment block and about \$16,000 in improvements to existing buildings.

Total number of permits issued in 1968 was 143 amounting for \$3,039,326.

## Guess Who's coming to St. Albert

The movie *Guess Who's Coming to Dinner?* will be shown in St. Albert High School at 8 p.m. Thursday, May 1.

It stars Spencer Tracy, Kathryn Hepburn and Sidney Poitier.

The movie is being presented to help support the holiday apostolate, a team project of St. Albert Movers.

Each year some members of the Movers go on missions to other Canadian communities for two-week periods to assist them in organizing and operating certain programs. They must pay their own travelling expenses.

Movers receive training throughout the year from Father Ubald Descheneau, who is in charge of religious education at the high school.

## Kinsmen help Fort Club

Twenty-four members of the St. Albert Kinsmen Club and their wives travelled to Fort Saskatchewan on Friday, April 25, for the chartering of a new club there.

The St. Albert Kinsmen have been working very closely with the Fort Saskatchewan Club for several months to bring about the new charter.

Bill Hite, president of the St. Albert Club, officiated at the chartering ceremony.

Immediate Past National President Art Jones presented the charter to Dick Peabody, president of the Fort Saskatchewan Club.

Each St. Albert member presented a Kin pin to a member of the Fort Club. Club banner, gong and gavel, podium, place of meeting plaque, dinner badges and other club regalia were presented to the new club by various Kinsmen clubs within Zone 2.

## Festival winner

Janice Schellenberger of 36 Gordon Cres. grabbed a first-place finish in the Kiwanis Music Festival at the Jubilee Auditorium last week. Janice, competing in the 14 years and under group, posted a mark of 86 in the electric organ section. Actually, it was only a matter of time before Janice snared a first. She had placed second the past two years.

## Day care centre in planning stages

Two St. Albert women are attempting to determine the need for a day care centre in this town.

If they find there is such a need, it is their intention to have one in operation by September.

Mrs. Adam Hauptman said the idea for a day care centre in St. Albert sprang from the fact that there are so many working mothers in town.

It was felt they needed a place where their children

would receive consistent care.

But, Mrs. Hauptman added, initial response to the plan has been slow.

"We have only four children at present," she said Monday. "We will need at least 20 with a waiting list of at least 10 to take care of dropouts when mothers quit working."

Mrs. Hauptman and her partner, a registered nurse, plan to erect a building or remodel a home to house the centre.

She said the day care centre will operate the same as those in Edmonton with about the same rates applying. It will be government licensed.

She said special rates will be set for parents with children in kindergarten for a half day. She said children would be bused to and from kindergarten.

Hours of operation would depend on the demand but they are tentatively set for 7:30 a.m. to 6:30 p.m. five days a week.

For further information phone Mrs. Hauptman at 599-7542.

## Sub post office located

A sub post office will be opened in Emery's Pipe Shop in the Grandin Shoppers' Park on May 5.

Postmaster Al Mitchell announced Tuesday that the post office will handle all normal business and will be open between the hours of 9 a.m. to noon and 1 to 2:30 p.m. Monday through Saturday.

With the opening of this post office, the main post office wicket service will not be open on Saturdays.

St. Albert Knights of Columbus made the last payment of \$1,500 to the Edmonton Handibus Bus Association on the Handibus they purchased as a Centennial project two years ago. After a communion breakfast held in the parish hall, Grand Knight George Lee (left) presented the cheque to Ken Ladwyler, director of the Edmonton Handibus Bus Association, as several knights look on. The bus already has 32,034 miles on it.

The CWL elected its executive last week. From left to right back row are Cecile Martindale, Arlene Borgstede, Marg Dolphin, Margaret Moran, Albertine Munroe and Gerry Byrne; Front row Marg McKee, Doris Tellier, Bridget O'Kell, Anne-Marie Venne and Terry Binette.

## CWL elects officers

Mrs. Brian O'Kell was elected president of the St. Albert Catholic Women's League at the monthly meeting held April 24.

Other executive officers elected were Mrs. Leon Tellier, 1st vice president; Mrs. Marcel Venne, 2nd vice president; Mrs. Real Binette, 3rd vice president; Mrs. Dan McKee, recording secretary; Mrs. Jim Byrne corresponding secretary; and Mrs. Clifford Munroe, treasurer.

Ladies elected to serve as standing committee chairmen were Mrs. Frank Dolphin, Mrs. Nell Ross, Mrs. Wilfrid Borgstede,

Mrs. M. Moran, Mrs. Larry Martindale.

Mrs. Borgstede, retiring president, closed a short business meeting with a brief resume of her past two years in office and by thank-

ing her executive and members.

Following the elections she presented the gavel to Mrs. O'Kell, who officially adjourned the meeting.

### Liberal leader

Jack Lowery, a 39-year-old Calgary businessman and clergyman, was elected leader of the Alberta Liberal Party last weekend. Lowery succeeded retiring leader and former MLA Mike Macagno, defeating Dr. Don Brannigan, the mayor of Manning, Robert Russell, St. Albert town councillor, and Trevor Midgley, a 20-year-old university student.

### Youville Auxiliary

The Youville Ladies Auxiliary held their annual meeting for election of officers on April 15.

The following were elected: President Mrs. Kathleen Oddlefsen; secretary, Mrs. Alice Herbert; treasurer, Miss Marie Wolniewicz, vice-president, Mrs. Raymonde Brunelle.

# Letters to the editor

OPEN LETTER TO THE ST. ALBERT KNIGHTS OF COLUMBUS AND ST. ALBERT CITIZENS.

May we offer our sincerest congratulations and gratitude to the St. Albert Knights of Columbus on the completion of their final payment for the bus which you donated to the Edmonton Handi-Bus Association.

Our child has had the benefit of this Handi-Bus service which was ensured by the Knights taking this project on as their Centennial project.

May we also take this opportunity to thank all residents who contributed time and monies to the fund-raising projects for this bus. May you be reassured that when you see the Handi-Bus on its daily rounds in St. Albert, that you have played an important part in the progress these children are making at the various special schools they are attending.

Sincerely,  
Mrs. Garth Peterson.

P.S. - For the information of new residents the Handi-Bus provides transportation for handicapped children and adults to the Glenrose Hospital School, Sherwood Park Retarded School, Aphasic School and the Evelyn Unger School for language and learning development.

Dear Sir:

With the winter season over and the summer recreational programs getting under way, it seems to be an appropriate time to thank all those volunteers who contribute so much to recreation during the year.

In St. Albert, the key-word is "involvement" and we are indeed fortunate in having so many clubs and organizations who participate in community recreation. The individual members are too numerous to mention but they can be seen instructing, coaching, umpiring, refereeing and generally becoming "involved". Many of them work behind the scenes on organizational details without which no program can succeed. A most amicable relationship has always existed between the town and the various organizations; programs and projects are carried out in the true spirit of co-operation. This is most gratifying.

As mayor - and a parent - I am personally grateful to all our volunteers in the field of recreation and I am sure I speak on behalf of all the residents of St. Albert when I express our thanks to them. Their "involvement" is much appreciated by all of us.

R. M. Gibbon,  
Mayor.

ARE YOU REALLY A DOG LOVER?

It is eight months ago since I took over the job of a dog patrol officer in St. Albert. During this time I believe many residents of this community have seen my blue econoline and also met me personally. In any event I have met numerous delightful dog owners and I believe made a lot of wonderful friends, admittedly a few less pleasant occurrences have also happened, but I am glad to say very few.

During these past months some problems have repeatedly made their appearance, whose very existence made me decide to talk as a dog lover to you dog owners of St. Albert.

For days or even weeks your children have badgered and pounded you to very nearly a mental state of pulp to let them have a dog. Finally, because firstly you like dogs yourself and secondly because you heard it is good for children to have a pet and lastly to get rid of the problem of nagging youngsters you agreed.

Wonderful, except now really the problems just start. You can get the dog easily enough but are you physically, materially and

emotionally prepared for what is to come?

First of all have you a fenced in yard, or at least a run which the dog can call its own. Chains, even long ones are no solution. Generally speaking the dog is unhappy, becomes usually vicious, and nearly always noisy. Remember there is a noise by-law in St. Albert.

If you really love a dog you also remember to exercise him at all times sufficiently. Are you willing to make sure the children do not forget to feed their pup? In other words teach them responsibility towards their little four-legged ward.

What about your responsibility toward your neighbours and your community? Remember people might not like dogs, but they probably are very fond of their lawns, shrubs and flowers. They might not want to listen to the angry barking of your dog or the happy yapping of little pups.

Of course you know that even your smallest puppies while playing with the little ones can do a surprising amount of damage on the soft skin of your youngsters.

To make a long story short, if you really want in the long run to be happy with your pet, then it should need some training. The conclusions of the above mentioned facts is naturally the realization that having a pet is a lot of fun, but friends

also an awful lot of work. But if you are willing to go to all this trouble, then by all means get a dog because he needs you and you need

him, but please lets try to have a few less abandoned dogs!

Mrs. A. Elkins

The Edwin Parr Composite High School from Athabasca with its play "Afterwards" will represent Zone 2 West in the provincial drama finals in Red Deer on Friday and Saturday, May 2 and 3.

The Athabasca players, directed by Patricia Rafferty, took top honors in the regional drama festival held

at St. Albert High School Auditorium on Saturday night.

Mrs. Alice Polley, a teacher at the Citadel Theatre School, in her adjudication praised the high calibre of performances of all plays presented.

She was of the opinion that drama festivals should be made non-competitive as the purpose should be to entertain and instruct rather than to win.

Ross Johnston, principal of St. Albert High, was master of ceremonies for the evening and he remarked on how pleased he was with the talent displayed and the interest generated in this cultural media.

About 200 persons took in the four plays that featured both comedy and tragedy.

Other plays presented were:

Legend of the Lake by St. Albert High School, Marguerite Kaminski directing; Beat It Beatnik by Dr. Swift Junior High School from Lac La Biche, Janet Lloyd-Jones directing; and The Valiant by the Boyle School, Sukumar Nayer directing.

The trophy was presented to the Athabasca players by Dr. J. W. Chalmers, superintendent of the St. Albert Protestant Separate School District.

The production staff included:

Robert Lund, stage manager, assisted by Frank Turner; Dan Chung, Jan Donald and Raymond Leblanc, stage crew; Sandra DeLuca, makeup; Frances Alberts, Alice Marie Sanchez and Clair Gaucher, ushers; Mrs. Cecilia Blair, pianist.

# the Gazette REFLECTS

With the election last weekend of Jack Lowery as president of the Alberta Liberals, three of the province's parties have new leaders at the helm. Premier Harry Strom, NDP's Grant Notley and Mr. Lowery are all heading for their first campaigns, and Peter Loughheed of the Conservatives has just one election behind him.

Mr. Loughheed, with a small but effective striking force behind him in the house, has a head start over the other two men, in their aim to replace Social Credit in Alberta. The NDP has been able to attract only minimal support in this "have" province, and the Liberals have many long dry years behind them in Alberta.

On the other hand, the Conservatives face a certain weight of opinion that they are not so different from Social Credit, and are an "establishment" party. An opinion which was reinforced by Mr. Manning in his attempt to align his party with theirs.

While the Socreds have many times proved that they have more lives than the proverbial cat, they will certainly suffer from the retirement of Ernest Manning.

The big question now, for all four men, is when will the election be called? Mr. Strom and his advisors will of course make that decision as they see it for the best advantage of the Socreds.

Despite Mr. Russell's comments on the election of Mr. Lowery causing a split in the Liberal party, the results of the voting showed that Mr. Lowery had votes from every constituency except three. This indicates a broad base of support for the new Liberal leader. Unfortunately for Mr. Russell, his remarks carried a strong smell of sour grapes to the nostrils of the public.

It seemed to us that throughout the convention Mr. Lowery showed a potential ability to appeal strongly to the general public. And this is a vital quality for successful political leadership. The power of the personal appeal of the leader is a fact of life in modern politics, which men like Diefenbaker, Manning and Trudeau have clearly demonstrated. These men won elections and carried their parties with them - not the reverse.

In the last election the Conservatives fielded candidates in approximately two-thirds of the constituencies. Mr. Loughheed is proving himself a fine leader, and steadily gaining support. The next election will undoubtedly see a full slate of Conservative candidates.

We believe Mr. Lowery will gain momentum as he goes along, and bring many new faces into the Liberal party to revitalize and strengthen it.

The growth of both parties will be a boon to Alberta which will benefit from fresh and vigorous new breezes blowing through a legislature grown stagnant.

## Kite flyers take note

Two cases of power being put off by kites have been reported in Edmonton, and in addition, weekend crews removed 32 kites from lines before damage could occur.

Some kites are constructed with metal in the frames and handlines and in some cases coat hangers are being

used. This can be extremely dangerous when the metal comes in contact with the overhead lines. Edmonton Power has been advertising in an attempt to discourage persons from using metal in the construction of their kites.

## St. Albert Lions near miles title

St. Albert Lions Club is trying to retain the shield it won last year as the club travelling the most miles in zones 37F and 37B.

Twenty-seven Lions travelled to Red Deer to attend

a meeting of the club there Monday night, adding 5,600 miles to the club's total. The heavily subscribed trip pushed the St. Albert

Club's total mileage past the 18,000 mark and enabled it to wrest the lead from the Swan Hills Club, Lion Dr. Williams Cuts

said Tuesday that unless the Swan Hills Club packs on a bunch of miles by today, the deadline, St. Albert will retain the title. The competition is an annual event

## Recorder concert Sunday

Fourteen St. Albert residents taking recorder lessons will present a one-hour concert in the Presbyterian Church in Braeside at 7:30 p.m., Sunday, May 4.

The fourteen, all students of Andre Bergman, take individual instruction during the week and band together for sessions every Saturday. Mr. Bergman, who plays flute with the Edmonton Symphony, is a former member of the famed Princess Patricia's Canadian Light Infantry band and he also spent 12 years with the Netherlands Opera Company in Amsterdam.

Several selections on the program will be accompanied by an organist.

There will be no admission charge.

# Report from the Legislature

Special to the Gazette  
by Tony Cox

Legislation has been introduced which will result in a mandatory six month licence suspension if a motorist is found guilty of impaired driving.

Highways Minister Gordon Taylor says the amendments to the Highways Traffic Act is an attempt to tighten regulations against impaired drivers.

Under present regulations, first offenders usually receive a restricted licence which allows them to continue driving. If the new legislation is approved, the only appeal will be through the Appeal Court.

Other amendments to the Highways Traffic Act include:

- \* Speed limits on all municipal roads will be restricted to 50 mph unless otherwise posted.

- \* It will make parking on the shoulders of a freeway an offence.

- \* It will ensure that all school buses and vehicles carrying explosives or inflammable materials stop at all uncontrolled railway level crossings.

- \* The responsibility for removal of abandoned vehicles on public streets will rest with the owner not the municipality.

Mr. Taylor also announced last week studies will be conducted into the causes of automobile accidents.

Investigating teams would attempt to correlate the exact cause of the mishap so efforts could be made to ensure they don't reoccur.

Information gathered will remain secret and will not be admissible as evidence in court.

The highways minister also introduced legislation concerning the operation of motor toboggans and snow vehicles.

Next winter they must be registered and carry licence plates except when used on private property. In addition, they will not be allowed on public roads, road allowances or sidewalks except to cross, unless otherwise approved by local municipalities.

Amendments to the Lords Day Act will allow municipalities to introduce a by-law permitting sports events, cultural exhibitions, theatrical performances and movies. No placards will be required unless demanded by a petition of 10 per cent of the municipal electors or 2000 electors, whichever is smaller.

Still excluded are horse and dog racing, boxing and wrestling.

Last week saw Health Minister Dr. J. D. Ross ask Premier Harry Strom to relieve him of the portfolio which he has directed for the past 12 years.

Dr. Ross, almost tearful, made his announcement to a stilled House. He said with Alberta's entry into medicare and other health schemes being instituted, it was time for new direction.

Dr. Ross expressed a willingness to serve in another portfolio or as a backbencher. But he said he will

not contest the next election.

The legislature is buzzing with speculation as to a successor. Last week Labor and Telephones Minister Ray Peterson's name was mentioned. But the thinking now in secret circles points towards Ralph Jespersen, the member for Stony Plain.

The introduction of the Alberta Health Care Insurance plan will pave the way to qualify all Albertans for medicare.

The act provides for oral surgery and optometric services to be declared 'insured services' if the federal government were to eventually include them in the federal cost-sharing program.

Nothing in the act will interfere with a person's right to select his own phys-

ician, dental surgeon, optometrist or chiropractor nor does it interfere with the right of medical practitioners to set their own medical fees if the arrangement is made prior to services being rendered.

The plan provides com-

plete portability between participating provinces with no loss of medical coverage as well as financial assistance in meeting premiums in cases of undue hardship or expenses.

The one big question mark, the cost of the premiums was not outlined and remains unanswered.

## Parsons show well in badminton finals

The Parsons sisters of St. Albert High School made a strong showing in the Alberta Schools Athletic Association's badminton championships in Edmonton recently.

Bernice placed fourth in the rugged A singles competition for top-seeded players. Roberta took second place in C singles, dropping her first contest to a Calgary

competitor, the eventual champion, and then winning eight straight.

Bernice and Roberta were the only St. Albert members of the North Central Zone team which made its most impressive showing ever, tying Edmonton for second place at 114 points, 27 points back of first place Calgary.

Last year North Central earned 87 points in finishing third behind Calgary at 130

and Edmonton at 103.

North Central improved by 27 points as compared to a 11-point improvement for both Calgary and Edmonton. More points were involved this year, as for the first time each of the 10 zones were fully represented in the round-robin tournament.

Although the North Central Team only won top honors in three of the eighteen competitions, the consistency with which they placed among the top four earned them enough points on the 5 - 3 - 2 - 1 scale for the second place finish.

In girls' F singles Enda Roccoe of Bon Accord won top spot as did Maurice Detert of Barrhead in boys' D singles and Cris Wood of Westlock in boys' E singles.

As a result of this tournament not only will the North Central Zone retain the Soprovich Badminton Trophy, awarded to the top zone team exclusive of Edmonton and Calgary, but they also for the first time will enjoy a share of the Greta Schwartz Trophy, awarded annually to the second-place finisher.

## Second separates cycling leaders

Only a second separated the top three cyclists after 22 gruelling miles Sunday afternoon.

Henk Koning of Calgary came in a half-wheel ahead of clubmate Norman Lowe, each with a time of 1:02:31. In the Northern Wheelers' Australian pursuit race.

Frank Ludtke of the Edmonton speed skating club clocked in at 1:02:32.

Actually the three riders times were 14 minutes better than that shown because they had 14 minutes against them before they turned a wheel. That's the edge they had to give some riders in the field of 17 in the handicapped event.

The course ran from the weigh scales north of St. Albert on Highway 210 Morinville and back. At times the riders bucked a heavy wind.

A four-mile time trial was run for the schoolboys, with Leon Hebert coming first with a time of 14:38. His brother Roland was second and Dale Roy was third.

The Northern Wheelers set their club colors as blue against an orange background at a meeting last week.

## Baseball starts tonight

Baseball, the minor variety, gets under way tonight in St. Albert.

Eighteen teams will take to the field as action commences in all three Little Canadian Leagues.

Opening games in the Sturgeon League (diamond numbers in brackets) will see the Pirates play the Senators (8), Braves play the Dodgers (14), and Yankees play the Giants (9).

Opening games in the Grandin League will see the Red Sox against the Cardinals (3); the White Sox against the Orioles (4); and the Twins against the Angels (7).

In the Mission Park League it will be the Expos versus the Oilers (15); the Cubs versus the Astros (16); and the Reds versus the Mets (6).

Schedules for May 5 are: Sturgeon League -- Pirates vs Dodgers (15); Senators vs Yankees (16); Giants vs Braves (6).

Grandin League -- Angels vs Orioles (7); Twins vs Cards (4); Red Sox vs White Sox (3).

Mission Park League -- Mets vs Astros (14); Reds vs Oilers (8); Expos vs Cubs (9).

## Cricket club needs players

The Edmonton Cricket Club is urgently in need of players.

The club plays in the nine-team Edmonton Cricket League, which schedules games Saturdays and Sundays and holiday Mondays.

Anyone interested in joining the team can call Geoff Williams at 599-4907.

## Destruction of trees

The parks and recreation departments is asking for the co-operation of parents of children in St. Albert in the protection of trees in public parks.

There have been numerous reports of young boys destroying trees with pocket knives and hatchets. The problem is particularly bad in the Grandin Park area.

A number of people have obtained trees on their own

and planted them among the native trees, but these are being pulled out by the roots by children.

Signs are ignored, and although the town cannot patrol these areas at all times residents are reminded that there is a by-law which provides for a fine of up to \$100 and costs for the destruction or damaging of trees on any park-land.

## Town of St. Albert

### Notice of Public Meeting

The Council of the Town of St. Albert having been given authority under Section 119 of the Planning Act, 1963, as amended, to control development within the boundaries of the Town of St. Albert by zoning, will hold a public meeting.

The purpose of the by-law is to re-zone Lot 32, Block 12, Plan 7061 K.S. from commercial class 2 (C) to Residential Multiple family (R3).

The proposed by-law may be examined between the hours of 9 a.m. to 4:30 p.m. at the office of the secretary treasurer, Town Hall, St. Albert.

The public hearing will be held in the Council Chambers on the 26th day of May, 1969, at 8 p.m.

Written objections to the proposed by-law will be received by the secretary treasurer at his office until 4:30 p.m. the 20th day of May, 1969. Objections shall be submitted in writing prior to the meeting, those which have been received before the designated time will be discussed at the meeting before further oral presentations will be recognized.

# Banquet winds up Legal hockey season

The annual Sportsmen and Award Night banquet and dance for the Senior A and Senior B teams was held April 19 at the Community Centre. This banquet and award night winds up another hockey season for the Citadel Canadians and the Shell Bees teams.

Real Mercier, coach of the Citadel Canadians was called upon by master of ceremonies Walter VanDeWalle to introduce the players. Real thanked them for their time, effort and good sportsmanship during the season. He also thanked the fans for their support and encouragement, but especially the wives for their understanding to allow their husbands to be out several nights a week to play or practice.

The "Bees" coach Frank De Smit was unable to attend so Russell Pawluk manager, replaced him to introduce the players. Russell also thanked the players for their co-opera-

tion and for being true sportsmen.

Mr. Frank Rivard, president of the recreation board expressed his gratitude to all those who participated in anyway to make the hockey season entertaining and successful.

Good support was received throughout the year but many more fans could and should have attended and encouraged the teams. Nevertheless the president stated that its with the proceeds from the gates, skating fees and grants that allows them to operate the arena.

Mr. Rivard extended special thanks to the ladies who donated their time to work in the booth. Mrs. Leo Maurier who had the difficult task of ordering supplies for the booth replied. She said the women had worked very hard during the winter months, all their efforts were worthwhile. A good profit was turned to the recreation board. Mrs. Maurier than-

ked the ladies in charge weekly and also all those who helped in anyway.

The weekly responsible ladies were: Mrs. Lina Pagin, Mrs. Lucienne Pelletier, Mrs. Ferne Van De Walle and Mrs. Fabiola Huning.

The program then proceeded with the awards for the Senior A team.

The first trophy was donated by the Legal Co-op for the top scorer. Leonard Forcade, vice-president presented the trophy to Denis Tardiff. Denis was unable to attend so the manager accepted it for him.

Legal Hotel Trophy presented by Mile Fete au Village (Lorraine Brisson) to the most valuable player was award to Gille Denis.

The Hat Trick "VanChapeau" awarded to the first senior player that scores three goals in one game was presented to Doug Wittkop by Walter VanDeWalle. Walter gave Doug a miniature hat with a certificate

from Dittich Men's Wear. Doug then presented an engraved plaque to their devoted coach Real Mercier.

Denis Pelletier was the recipient of a trophy for his aggressiveness and the most improved player. Wayne Beaudin was awarded the trophy for the most versatile player showing the best sportsmanship. Manager Dan St. Martin received a silver cup on behalf of the team The Shell Bees awards were presented by Russell

Pawluk manager, he replaced coach Frank De Smit who was absent. Raymond Tremblay received the most valuable player trophy while Pete Van Brabant was awarded the top scorer award. President "Bunk" Fizer presented Russell Pawluk manager an engraved plaque and a trophy to coach Frank De Smit.

Some 200 players and fans enjoyed an evening of dancing and refreshments. During the social Mile Fete au Village drew the ticket for the electric blanket raffled with the proceeds for the arena. The lucky ticket holder was Shron Andrastak from Bon Accord.

OUR FAMILY AFFAIR BEGAN WHEN DAD SPOTTED THE CASE NAME ON THE GARDEN TRACTOR HOOD! In a rush of boyhood memories Dad seemed to see his father on the family farm driving one of those big Case farm tractors. But now Dad was looking at that same big tractor reliability in a compact size, 125 years of tractor-building experience designed into two great new Case Garden Tractors. A sleek Model 155 and a husky Model 195. Ten and twelve horses, respectively - ready to gallop at a key's turn. Both Case compacts with revolutionary Hydra-Static Drive for instant speed control.

# Winnifred Stewart School blitz May 7

St. Albert mothers will march Wednesday, May 7, to raise funds for the Edmonton Association for Retarded Children.

They will march along with Edmonton mothers in an attempt to raise \$50,000 for the association, which sponsors the Winnifred Stewart School for Retarded Children and the Industrial Research and Training Centre.

Mrs. Kay Krupa, organizer of the blitz in St. Albert, said Monday more canvassers are urgently needed and anyone wishing to volunteer their services can call her at 599-7184.

The money will be used for the expansion and operation of the Winnifred Stewart School. Any funds above the \$50,000 objective will be used for the residence building fund.

The association hopes to start building this spring. The residence is considered essential for children whose parents are disabled or deceased.

The association's budget for 1969 calls for \$425,000. Grants will provide a maximum of \$360,000 and it will be up to the association to raise the rest.

The association has 76 on

regular staff and 50 volunteer assistants. The children are bused to school and the association's 18 buses total 1,200 miles a day transporting 411 children.

All children with an i.q. below 50 or who are regarded as seriously retarded are eligible to attend the Winnifred Stewart School with no tuition charge to the parents.

Special methods are used to teach the children and they graduate to the Craft Training Production Centre. Through training, at least 80 per cent of these children can become partial self-supporting under sheltered conditions, 15 per cent can go out into the world, and less than five per cent will become custodial care.

No monies are used for administration of the drive. All service and personnel's time and efforts are donated.

## Soccer starts Friday

The St. Albert minor soccer season will start Friday when the local peewee take on a team from Rosslyn on the Groveson pitch at 7 p.m.

The peewee representative team will again be coached by John Alliston. Alliston, who resides in Edmonton, has won city and provincial championships with the local boys.

The 10-team atom league, for boys 10 and under, will start next week and the peewee league will start shortly after.

Soccer will run until the end of the school term, close down for the summer, then start again in September.

## Curlers establish committees

Wally Irwin was elected vice-president of the St. Albert Curling Club at an executive meeting Sunday night.

Rod Erickson was elected secretary and Theo Gagnon was elected treasurer.

Standing committees were also set up. They are:

Finance — Casey Anderson, Wally Irwin, Theo Gagnon and Richard Bird.

House — Al McKee and Wally Irwin.

Curling leagues — Richard Bird.

Roster committee — Barbara Arnold.

Construction, debentures and shares — Casey Anderson and Wally Irwin.

Social — Rod Erickson, Bob Riley and the executive as a whole.

Bonspie — Al Mitchell and Richard Bird.

Upstairs lounge — Al Mitchell and Ernie Jamison.

The executive also set the dates for next year's men's bonspie. Sixty-four teams will compete from Jan. 12 to 18 for prizes in four events.
